It has already been decided some time
back that the person to be in D. & P. posts
shall not be treated as a gazetted officer
and there is no good ground for reopening the
question now.

As N. N. Singh is being a gazetted officer
cannot draw his pay as a separate post but
from applicable to gazetted officers.

With regard to his recommendation
of the D. & P. to receive his minimum pay of
of the ~~post of Assistant~~ Assistant from Rs 100 to
Rs 125, in view of the fact that his
max. pay of the Head clerk is Rs 100, it
is certainly desirable that his minimum pay
of the Assistant should be somewhat higher.
I would therefore fix his pay of the Assistant
as Rs 120-6-150 instead of Rs 100-10-150
or as is at present. Rs 125-25-150 as
proposed by the Director.

Subject:—

Revision of the scale of pay of the Office Assistant to the Director of Geology.

The pay of the Office Assistant to the Director of Geology has been fixed at Rs.100-10-150 in Government Order No. I. & C. 4593-4/Geol.74-22-2 dated the 22nd January 1923. The present incumbent Mr. P.A. Swamy Chetty who was drawing the maximum pay of the appointment (i.e. Rs.150) having applied for privilege leave, the Director recommended the appointment of Mr. N. Narasimha-Iyengar, Head clerk of the Director's office who was drawing Rs.100 in the grade of Rs.77-6-100 to act as Office Assistant, with an allowance of Rs.²⁵~~20~~ per mensem. But while sanctioning the Director's proposal for the appointment of Mr. Narasimha Iyengar as acting Office Assistant, his recommendation to grant him an acting allowance of Rs.²⁵~~20~~ per mensem was vetoed by Government as the minimum pay of Mr. P.A. Swamy Chetty was the same as the maximum pay of the Head clerk which Mr. Narasimha Iyengar was drawing, and consequently no acting allowance was admissible under the rules. The Director has now, in resubmitting the case to Government, recommended that the pay of the Office Assistant's post may be revised and fixed at Rs.125-25/2-150, considering that the maximum of the scale fixed for the post of Head clerk - - (Rs.77-6-100) is the minimum of that of the Office Assistant (Rs.100-10-150) and that, in consequence a Head clerk drawing the maximum of his grade when appointed as Office Assistant will not get under the rules any increased emolument by way of acting allowance though additional responsibility and duties devolve on him.

When the papers came up before me, I recorded that in view of the fact that the maximum pay of the Head clerk is Rs.100, was certainly desirable that the minimum pay of the Office Assistant

2.

should be somewhat higher and that the pay of the appointment might be therefore fixed at Rs.120-6-150 instead of Rs.100-10-150 as at present or Rs.125-25/2-150 as proposed by the Director. The Dewan and the First Member agree with me and the Financial Secretary has also no objection.

Pages 5 & 6 of
Office Notes

I therefore beg to submit for the gracious approval of His Highness the proposal to alter the scale of pay of the post of the Office Assistant to the Director of Geology from - - Rs.100-10-150 to Rs.120-6-150.

K. V. Anantaraman, Esquire, B.A.,

SIR,

Adverting to G.O.No.I.C.5102-03 Geol.60-23-4, dated 23rd February 1924, sanctioning the grant of privilege leave for 3 months and 28 days to Mr.P.A. Swamy Chetty, Office Assistant in this Department, and the appointment of Mr.N. Marasimiengar, Head Clerk, to act in the former place, I beg to report for the information of Government that Mr. Swamy Chetty availed himself of the leave from the 11th March 1924 forenoon handing over charge to Mr.Marasimiengar. In connection with this order the Comptroller has in his letter to me No. ⁴⁷⁸ (378) G.A.D., dated 6th March 1924, of which a copy is herewith submitted, stated that the place of Office Assistant is not a gazetted one and that therefore Mr. Marasimiengar's salary should be drawn on the Establishment Pay Bill only. It is not known on what grounds the Comptroller has come to the above conclusion. As a matter of fact Mr. Swamy Chetty was drawing his salary on independent bills of gazetted officers and thereby acquiesced in the post of Office Assistant being a gazetted one. I see no reason why the Comptroller now objects to the acting incumbent ~~from~~ drawing his salary independently.

2. Again, on various other grounds also it is necessary that the post of Office Assistant (called by different names at different periods in the life history of the Department) should be a gazetted one, as it has been such since the starting of the Department in 1894 although the status has been lowered considerably from what it was

raised to when Mr.B. Subba Rao occupied the place. The work of the Officers of the Department being of an executive nature none of them will be in Head Quarters during a greater part of the year. Moreover the administration work entirely rests with the Director and during his absence from Head Quarters it is essential for the prompt disposal of routine business that the Office Assistant should be empowered to sign all routine letters, bills &c. The status therefore of the Office Assistant must be a gazetted one. It is anomalous that he should be authorized to sign the Establishment Pay Bill with his own name included in it. Whatever the salary of the post may be fixed at, it is very necessary, in my opinion, that the status of the post should be a gazetted one. I beg therefore that the Government may kindly be pleased to order accordingly.

3. Regarding para 2 of the G.O. referred to above stating that Government do not see sufficient justification for departing from the rules to grant an allowance of Rs.25/- to Mr. Narasimangar, I beg to submit that it is most painful to me to note that Government have not been pleased to sanction my proposal. Last year when Mr. Varadaiya was retired the grade of the post of Office Assistant was, possibly as a retrenchment measure, reduced from 150-200 to 100-150 and Mr. Swamy Chetty was appointed on the maximum salary of the post, although he was at the time getting only Rs.110/- in the Secretariat, the prestige of the post demanding the high salary. This itself is sufficient proof to demand a better grade for the post than what it is at present if not the previous grade. The maximum salary of the Head Clerk being Rs.100/- it is necessary that the minimum of the Office Assistant's post should be fixed at a fairly higher stage. I would like that the Government would see their way to alter it to Rs.125-25/2-150. This is a very moderate and reasonable proposal and I request that Government will be pleased to sanction the same to take effect from 11th March 1924 - the date of availing of leave by Mr. Swamy Chetty, so that the acting incumbent may have the benefit of the acting allowances under the rules.

4. Next coming to the individual merits of the present incumbent, Mr. Narasimangar, I beg to state that his work is quite satisfactory from all points of view. When I entered upon my duties of Director in May last Mr. Swamy Chetty was also quite new to the Department and Mr. Narasimangar's experience was of immense use in getting through the work promptly and satisfactorily. He is the oldest official in the Department with 25 years service and therefore acts as a link with the past. It is desirable that he should be given some increment which he deserves. But as the rules did not admit of any acting allowances at all I made the very ~~modest~~ modest proposal that he may be given Rs.25/- as a special case. There is not much in mere name and it is necessary that the salary should be commensurate to the responsibility. There is no denying the fact that from Head Clerk to Office Assistant the responsibility has considerably increased and a higher salary is therefore justified. I would therefore submit the question again for the reconsideration of Government, if my proposal in para 3 above for the regrading of the post should not meet with their approval.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Director,
Mysore Geological Department.
